

COMMISSION OF THE EUROPEAN COMMUNITIES

COM(79) 782 final

Brussels, 10 January 1980

RECOMMENDATION FOR A COUNCIL REGULATION (EEC)
CONCERNING THE CONCLUSION OF THE AGREEMENT IN THE FORM OF
AN EXCHANGE OF LETTERS AMENDING THE AGREEMENT BETWEEN THE
EUROPEAN ECONOMIC COMMUNITY AND THE REPUBLIC OF ICELAND
FOR THE PURPOSE OF ADJUSTING CERTAIN TARIFF SPECIFICATIONS

(submitted to the Council by the Commission)

COM(79) 782 final

Explanatory memorandum

1. The nine Member States of the Community are contracting parties to the Convention on Nomenclature for the classification of Goods in Customs Tariff (known as the Brussels Nomenclature or the CCC Nomenclature). Amendments to this Nomenclature, adopted in 1977 by all the contracting parties, took effect from 1 January 1978. Consequently the Common Customs Tariff was amended in due course. Iceland is not a contracting party to the Convention mentioned above, however it applies the CCC Nomenclature and has therefore modified its Customs tariff but only since June 1978.
2. The agreement concluded between Iceland and the EEC contains lists of products based on the Nomenclature of the customs tariffs as it stood at the time of signature of the agreement (1972). As from 1 January 1978 for the EEC and as from June 1978 for Iceland, as a result of the amendments referred to - plus a number of minor autonomous changes - these lists and the respective amended customs tariffs ceased to correspond.
3. In order to bring them back into line, in June 1977 the Council authorized the Commission to negotiate with Iceland.

The negotiations resulted in the amendments annexed to the draft exchange of letters amending the agreements concerned. It should be pointed out that the amendments to the lists based on the Common Customs Tariff had been worked out in advance by the Joint Panel of Government Experts on the Common Customs Tariff, which meets with a Commission representative as chairman.

4. Moreover, in order to simplify the procedure to be followed in future for such technical adjustments, the Commission proposes that the Council give the Joint Committees set up to administer the Agreements the power to adjust the tariff specifications in the Agreements where one or other of the customs tariffs concerned has been amended. To this end the Commission proposes the insertion in the exchange of letters of an Article 12 (a) as annexed hereto. An article of this kind already exists in the Agreements between the EEC and Israël, Morocco, Algeria, Tunisia, Egypt and so on.
5. For the above reasons the Commission recommends that the Council adopt the attached Regulation for the conclusion of the proposed Agreement in the form of an exchange of letters.
6. Attention is drawn to the fact that an agreement in the form of an exchange of letters on the same subject as this proposed by the present recommendation has been concluded with the other EFTA-States (Austria, Finland, Norway, Portugal, Sweden and Switzerland; see OJ L 302 and L 303 of 28.10.1978).

Recommendation for

COUNCIL REGULATION (EEC)

concerning the conclusion of the Agreement in the form of an exchange of letters amending the Agreement between the European Economic Community and the Republic of Iceland for the purpose of adjusting certain tariff specifications

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

HAS ADOPTED THIS REGULATION:

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the recommendation from the Commission,

Whereas in consequence of the amendments resulting from the recommendation of the Customs Cooperation Council of 18 June 1976 and of certain autonomous changes to the Common Customs Tariff and the Icelandic Customs Tariff, certain tariff specifications in the Agreement between the European Economic Community and the Republic of Iceland (1) should be adjusted;

Whereas, moreover, it is necessary to amend the Agreement referred to above in order to establish a simplified procedure for adjusting tariff specifications in the event of further amendments to the tariffs of the Contracting Parties,

Article 1

The Agreement in the form of an exchange of letters amending the Agreement between the European Economic Community and the Republic of Iceland is hereby approved on behalf of the Community.

The text of the Agreement is annexed to this Regulation.

Article 2

The President of the Council is hereby authorized to designate the person empowered to sign the Agreement in order to bind the Community.

Article 3

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

It shall apply with effect from 1 January 1980.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels,

For the Council

The President

AGREEMENT

in the form of an exchange of letters amending the Agreement between the European
Economic Community and the Republic of Iceland

Letter No 1

Brussels,

Your Excellency,

As a result of the implementation of the recommendation of the Customs Cooperation Council of 18 June 1976 concerning the amendment of the nomenclature for the classification of goods in Customs Tariffs, and of certain autonomous changes to the Common Customs Tariff and the Icelandic Customs Tariff, adjustments should be made to the nomenclature of certain tariff specifications in the Agreement between the European Economic Community and the Republic of Iceland signed on 22 July 1972.

Moreover, in order to simplify the procedure to be followed in future for adjusting tariff specifications in the event of further amendments to the Customs Tariff of one or other of the Contracting Parties, an Article 12a should be inserted in the Agreement.

The amendments referred to above are annexed.

I have the honour to confirm the agreement of the Community to the amendments in question.

I should be obliged if you would confirm the agreement of your Government to the foregoing.

Please accept, Your Excellency, the assurance of my highest consideration.

*On behalf of the Council of
the European Communities*

*On behalf of the Government of
the Republic of Iceland*

AMENDMENTS TO THE AGREEMENT BETWEEN THE EUROPEAN
ECONOMIC COMMUNITY AND THE REPUBLIC OF ICELAND

I. The following Article 12a shall be inserted after Article 12:

In the event of amendments to the customs tariff nomenclature of one or both of the Contracting Parties for products referred to in the Agreement, the Joint Committee may adapt the tariff nomenclature of those products in the Agreement to conform with such amendments having due regard to the principle that the advantages resulting from the Agreement should be maintained.

II. With effect from 1 January 1980, Annex II to the Agreement shall be replaced by the following:
